Name of the project
Kiinan ja Euroopan poliittiset ajattelumallit (Chinese and European Models of Political Thought)

Coordinating Institution
Political Science, Department of Social Sciences and Philosophy, University of Jyväskylä

Objectives of the project (as indicated in the project proposal)
Objectives of the project were to offer highest quality teaching in the fields of history of political thought, political philosophy and international relations both in Renmin University of China and University of Jyväskylä. The project also aimed to enable student exchange from Jyväskylä to Renmin and Renmin to Jyväskylä, and exchange of the administrative stuff from Renmin to Jyväskylä.

Achieved results and outcomes
Achieved results and outcomes are the following:

A) Five teacher visits and five different courses both in Renmin and Jyväskylä. All together 40 students studied in the courses at Renmin and 35 students in Jyväskylä. Among this, more than 20 students have already studied in courses through ASIANET video lecuters provided by the University of Jyväskylä and more will come during the next year (both through ASIANET and University of Jyväskylä)

B) Two student visits from Jyväskylä to Renmin, all together 13 months (9 and 4 months)

C) Two student visits from Renmin to Jyväskylä, all together 13 months (9 and 4 months)

D) Two visits of the administrative staff from Renmin to Jyväskylä, both 14 days

E) Bilateral contract for teacher, researcher and student exchange between Department of Social Sciences and Philosophy and School of International Relations for next five years (2015-2020)
