

Aasia-ohjelmasta 2018 tuetut Japani-hankkeet

Asia programme funded Japan projects 2018

Project title: Knowledge and cultural exchange in developing child and family welfare between Japan and Finland	
Coordinator University of Tampere Faculty of Social Sciences/Health Sciences Eija Paavilainen eija.paavilainen@uta.fi	The aim of this project is to increase cultural and evidence -based expertise of public health and social services professionals in Japan and Finland, on assessment of child and family welfare in integrated family services. This will be done through intercultural education exchange of the insights and experiences, especially focusing on how the worries and other needs of families are used as the basis of care.
Partners Kibi International University
