

Call for Applications

EDUFI Fellowship for doctoral students from Ukraine

Finnish National Agency for Education invites applications for EDUFI Fellowship for doctoral students from Ukraine programme. This programme provides doctoral level students from Ukraine the opportunity to continue their academic work in Finland and supports the academic community and the reconstruction of higher education system in Ukraine.

Eligibility criteria

The scholarship can be granted to:

- Doctoral students, who have fled Ukraine due to the Russian attack to Ukraine after 24 February 2022 and who have a host university in Finland (incl. both Ukrainian citizens and international students who cannot return to their home country)
- Ukrainian doctoral students already in Finland

The scholarship candidate should have completed a Master's degree. During the fellowship in Finland the students complete doctoral level studies either to Finland or to Ukraine.

All academic fields and all Finnish universities are eligible.

Size of grant

The size of grant:

- 1900 euros/month

In addition, the following needs-based grants are available:

- 2000 € settlement allowance, in case the scholarship holder has arrived to Finland after 24 February 2022
- 300 €/month additional family allowance for scholarship holders with minor children

Application procedure

There is a rolling deadline for applications. The applications will be processed in order of arrival. The processing time is approximately two weeks.

The following documents should be attached to the application:

- motivation letter from the host university, confirming the willingness to commit to hosting and supervising the scholarship candidate
- CV of the scholarship candidate
- short research plan.

Both academic and administrative contact persons should be nominated for the doctoral student in the application.
