FINNISH NATIONAL
AGENCY FOR EDUCATION

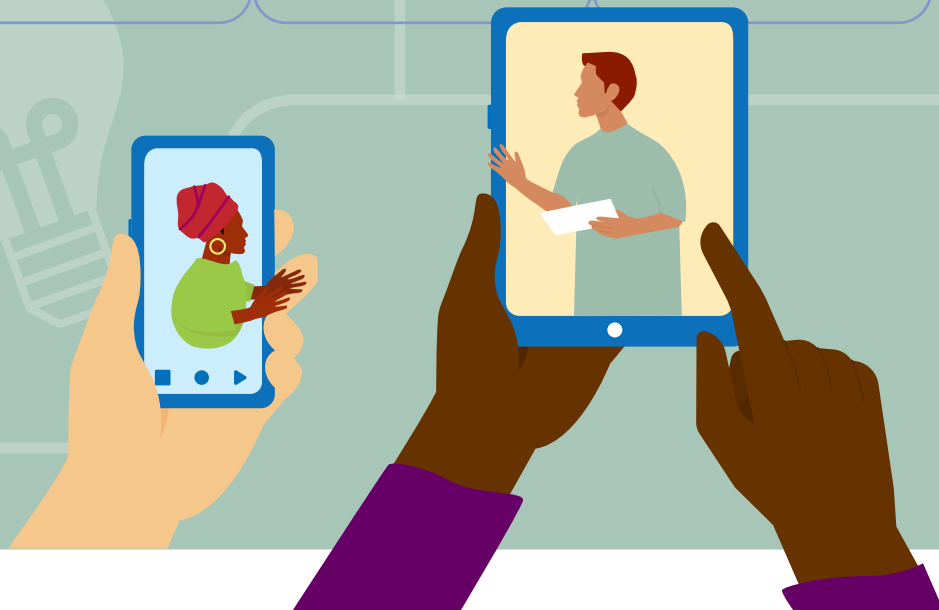

Finnish Centre of Expertise in Education and Development – FinCEED

Provides training, networking and deployment
of experts in education and international development

Finland aims to strengthen the commitment of partner countries and multilateral actors to quality inclusive education. FinCEED supports Finland's development policy priorities in education aimed at

- Strengthening the capacities of teachers, schools and education providers to improve learning and learning outcomes
- Supporting the right to quality inclusive education for girls, children and young people with disabilities and those in the most vulnerable positions
- Improving youth skills for jobs and life

FinCEED facilitates the deployment of Finnish education sector expertise for the use of developing countries and multilateral actors.

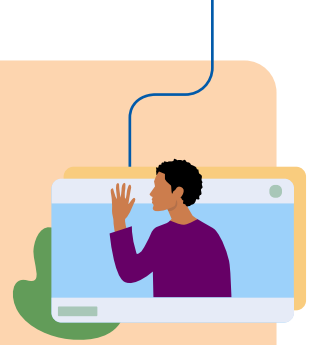

Expert assignments can encompass a wide range of opportunities, including short-term missions lasting up to six months, policy support, education expert keynotes, webinars, training, and various other modes of support to drive effective implementation within the education sector. FinCEED focuses on supporting requests in systemic and policy-level development, for example in areas like teacher training, inclusive education, curriculum development, assessment and evaluation, digital learning, and school meals in early childhood education, primary and secondary education and vocational education and training.

FinCEED manages an expert directory and recruits education sector specialists for tasks and missions through this directory.

The experts registered for the directory have strong professional experience in different fields of the Finnish education sector and in international cooperation.

FinCEED brings together education specialists from different fields and organisations by providing events, trainings and networking opportunities.

FinCEED operates under the Finnish National Agency for Education and the Ministry for Foreign Affairs of Finland provides funding through its development cooperation funds. FinCEED has a strong partnership with the Ministry of Education and Culture of Finland and the European Commission.
