Participating Organisations

To complete this section, you will need your organisation's identification number (OID). Since 2019, the Organisation ID has replaced the Participant Identification Code (PIC) as unique identifier for actions managed by the Erasmus+ National Agencies.

If your organisation has previously participated in Erasmus+ with a PIC number, an OID has been assigned to it automatically. In that case, you must not register your organisation again. Follow this link to find the OID that has been assigned to your PIC: Organisation Registration System

You can also visit the same page to register a new organisation that never had a PIC or an OID, or to update existing information about your organisation.

Is the organisation a non-profit?

Is the organisation an international organisation, but with this project contributing to grassroots sport?

Please choose the organisation type that best describes your organisation

Please briefly present your organisation.

What are your organisation's main activities?

How many years of experience does your organisation have in the field of grassroots sport?

What is the size of your organisation in terms of staff?

Hosting Organisation

If you have identified a hosting organisation(s), please name it (them) here mentioning also a destination country(ies).

Project objectives

What are the most important needs and challenges your organisation is currently facing?

Please define the objectives your organisation wants to achieve by implementing this project. Your objectives should be concrete and realistic. How are they contributing to the specific aims of mobility projects in the field of sport described in the Programme Guide?

What benefits will this mobility bring to your organisation?

What benefits will this mobility bring to the participating individuals (coaches, other staff, volunteers)?

If you are a non-grassroots organisation, please explain how participation of your staff in this mobility will benefit grassroots sport.

Please select up to three topics addressed by your project

How will the activities approach the horizontal priorities of the programme: inclusion and diversity, environmental sustainability, digital education and participation in democratic life? Clearly describe how the project will incorporate appropriate practices and measures.

Activities

Please describe the activities you are going to implement.

What is the profile of participants you are planning to send on mobility? How will you ensure balanced representation in terms of gender?

How will their support during mobility be ensured?

What are the expected learning outcomes for participants?

Please choose the types of activities you would like to implement in your project and complete the details for the activities you have chosen, please open each type of activities from the table below by clicking on their name.
