Aim

Organisations change the way they plan/implement/follow up their Erasmus+ projects towards a greener practice
Objectives

- To provide resources and practices on how to organise more sustainable youth activities.
- To create a safe environment where the participants can learn and exchange practice.
- To give the participants a small taste of the work others are doing by visiting local youth organisations/structures.
- To inspire participants and their organisations to organise Erasmus+ Youth projects in a greener way.
- To increase the number of Erasmus+ projects having sustainability as a topic by facilitating partner finding/matching.
- To stimulate the continuation of a network of green practice also after the end of the activity.
- To collect relevant inputs and outcomes of the activity in a form that can be spread beyond the participants of the activity.
