# Questions sent in advance

- If you have received funds in 2023, are you eligible for 2024?
  - No, projects funded in the Call 2023 cannot be funded in the Call 2024.
- Is there a submission template?
  - Yes, the link to the electronic application form can be found on the [programme web site](#).
- How many partners should be from Ukraine?
  - The project must involve at least one higher education institution from Finland and one higher education institution from Ukraine, but can have several.

# Questions sent in advance

- Do we need to cover all forms of educational cooperation or we can focus on one?
  - Projects can involve one or several forms of educational cooperation.
- Does the program support the preparation of online courses, including their technical development (hiring a technical staff)?
  - Yes, preparation of online courses is eligible and eligible costs include also salary costs as well as buying of services.
- Can the grant be utilized to hire a substitute or part-time teacher to allocate more time for a Finnish participant?
  - No, salary costs must be based on the effective working time associated with the implementation of the project.

# Questions sent in advance

- Do we need to share the project result, to make open access to everybody or we can just write articles about project result at university page?
  - Dissemination of results is one of the obligations embedded in the TFK funding, thus integral part of the project implementation.
  - The project can decide what are the best ways to share results.
- Can we include in the cost traveling to some conferences related to the project topic?
  - You can if it is an integral part of the project implementation and takes part in Finland or the partner country.
