Questions sent in advance

- *Obviously there will be no travelling costs to Ukraine, but travelling costs are actually in a significant role when we consider the budgeting rules in TFK programme. Would it then mean, that the Ukrainian are the only ones to travel, and now there should be quite a many of them travelling to Finland? Would the project funding cover all insurance costs, in case of highly unwished events, or must the traveller have either a personal insurance or the sending institute should cover this travelling? It could mean some potential participants to NOT participate in the project, due to the risks in travelling.*

Questions sent in advance

- *Miten rahoitetaan vaihto-opiskelijoina kirjoilla olevien ukrainalaisopiskelijoiden opintoja 31.05.2023 jälkeen. Erasmus apurahat ja yliopiston omista varoista maksamat apurahat loppuvat päättyvät tuolloin. Samalla päättyy heidän opiskeluoikeudet, miten heidän majoitus järjestyy jos he eivät voi opiskelijoina käyttää enää HOAS asuntoja?*
