Please describe how you will ensure that volunteer work will not substitute paid work.

The quality of the preparation of the volunteers is a key element to implementing a successful project. Please remember to include the methods that support reflection and documentation of the learning outcomes in the daily timetable of each activity.

Which learning outcomes (i.e. knowledge, skills, attitudes, behaviours) are likely to be acquired/improved by participants in each project activity?

The European Solidarity Corps promotes the use of instruments/certificates like Youthpass and Europass to validate the competences acquired by the participants during their experiences. Will your project make use of such European instruments/certificates?

Are you planning to use any national instrument/certificate?
