Subject: Erasmus+ Programme: extension of deadline for call 2019 actions

Dear colleagues,

We have been experiencing severe performance issues with the Erasmus+ application forms since Tuesday. We are still investigating the cause of the problem with our technical teams and looking to resolve it as soon as possible.

We acknowledge your messages to us and we understand the difficulties this is causing applicants and your colleagues. To allow applicants sufficient time to complete their applications, we will extend the deadline of the following actions by one week to **12 February 2019**:

- School education staff mobility (KA101)
- VET learner and staff mobility (KA102)
- Higher education student and staff mobility within programme countries (KA103)
- Adult education staff mobility (KA104)
- Youth mobility (KA105)
- Higher education student and staff mobility between Programme and Partner Countries (KA107)
- Accreditation of Higher Education Mobility Consortia (KA108)
- VET learner and staff mobility with VET mobility charter (KA116)
- Strategic Partnerships for youth (KA205)
- Youth Dialogue Projects (KA347)

We will announce the deadline on the application forms website and please also announce it through your own channels.

We will keep you informed of further developments.

Kind regards,

Sophie BEERNAERTS
