WESTERN BALKAN

1.

- Needs: Traineeships
- Requirement: academic link
- Challenge: Lack of knowledge on the host country
- Lack of information on WB countries → testimonies, videos -→ promotion
- For CBHE projects: shortage of project management skills among academic staff
- Lack of courses in English
- Recognition of studies (in some HEIs faculties)
- challenges: credit recognition
- ICM links to CBHE useful → CBHE priorities would be good to check

2.

- Academic colleagues involvement and promotion
- Good practice/possibility: teacher exchanges are functioning
- A word of mouth and promotion is needed
